The colors of blue and copper set the scene for the most memorable dance of the season. Being crowned Miss Copper-tonian for 79-80 was Leslie Hogan, 1st attendant Karen Hendrickson, 2nd attendant Dana Bodell. The theme for the dance was "Just The Way You Are."

A luncheon, dinner, rehearsals and escorts were all part of the Miss Coppertonian Pageant of 79-80. With the largest number of Contestants ever, all 32 of them gained experience and friendships through-out the pageant.

Chairwoman of the event was the "Coppertonian's" Senior Editor - Jan Miller. Miss Miller and the Yearbook Staff enjoyed working with the field of contestants twice the size of that seen in former years. Talent was diversified and the judging very close. Judges were Rob and Jackie Hughes, Virginia McDonald, Bill Baker, Lowell Hicks, Dottie Behling, Jamie Coombs and Georgia Petersen, experts in their field, qualified to pick our new queen.

2274 #2-Strike

Bingham High "Reunited" with a bang this year. The 79-80 school year was off to a great start with a week of exciting activities.

Beginning the week was an eye-opening continental breakfast, served in the lunchroom. Preliminary voting for the homecoming royalty took place, narrowing a senior class of beauties down to six.

Bingham High alumni had the spot light Tuesday. A tantalizing array of talent was the focus of the traditional alumni assembly. Such great feats as body building and dancing dazzled many. Musical attractions came from Scotland with her bagpipes, and closer to home with some old country fiddlin. A special award was given to Dennis Nicholes for his outstanding musical accomplishments. At the conclusion of the assembly a special luncheon was held, again honoring past Binghamites.

On Wednesday the spotlight again focused on royalty, with the Queens Walk. The six-finalists all looked their best for this spectacular lunch time treat.

With game day drawing near, the school was at her finest. The spotlight moved outdoors in the moon light to a rip-roarin pep rally. The football action made a switch when Bingham's powder puff football game attracted the spotlight. With spirit sky-high the crowd watched silently as the Bingham "B" was burned, and anticipation mounted for the football game.

At last! game day arrived. The tension mounted as the mighty Miners awaited their foe. At 5:00 sharp, an anxious crowd awaited the outcome. With the spotlight on the field, an excited audience suffered through many tense moments until the Miners crushed Kearns for a Bingham Homecoming Victory!

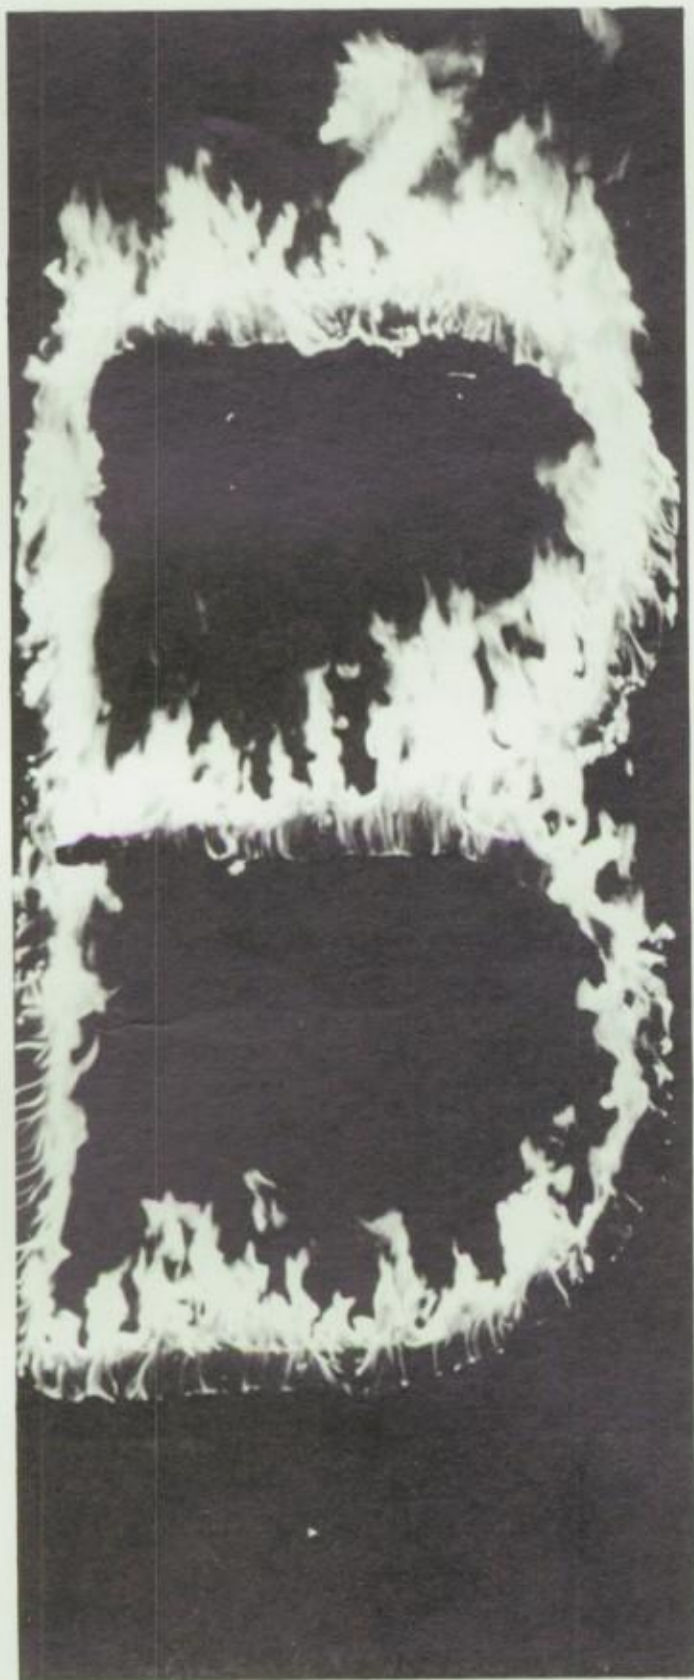

With the tension and anxiety of the game left in the bleachers and on the field, old and new Miners again returned "home". The theme "Re-United" fit the dance and the entire week perfectly. The spotlight was on everyone as a large crowd turned out. At intermission the spotlight followed the homecoming royalty on stage. Lorie Jarimello was crowned queen with Cindy Adamson and Keturah Green her attendants. The dance added the finishing touch to an exciting week of activity. Once again the studentbody and Bingham High were "Re-United", and anticipating a great year.

Welcome Back

“Miracle Worker”

“The Miracle Worker” was put on in the Copperpit by the drama students this year, who in appreciation for her insight into the world of those who do not see dedicated the entire play to Mrs. Carol John. Those who participated and had an opportunity to view the production agreed it was one of the best that has been performed by students here at Bingham.

F.H.A.

Stomp

On February 23rd many Bingham High students gathered in the gym for the F.H.A. Stomp. Everybody rocked and rolled to the records that were played. Then there were those slow songs, where they got the chance to be close to that special someone.

Thanks goes to those F.H.A. members who made this dance possible for us.

Candlelight Service

Talented voices, dancers, and the Orchestra's fine music all contributed to ushering in the Christmas spirit during this years Candlelight Service. Rows of students carrying softly glowing candles walked down the aisles to the sounds of *Far, Far Away* on *Judeas Plains*, and *Oh come, Oh come Emmanuel*. The highlight of the program was when the Choirs sang *The Hallelujah Chorus*.

SPIRIT WEEK!!!

"S-P-I-R-I-T... spirit for victory!" Was the cry heard throughout the halls the week of Jan. 28th. Spirit Week had come to Bingham!! Some of the activities that filled this traditional week were Candle Squirt, Contenetal Breakfast and Pop Guzzling. The snow sculpture adorned the front lawn while the halls inside were also decorated with blue and white streamers. Named Penny King and Queen were James Antczak and Kim Tippetts. Though the Juniors came out on top with competition, Bingham was united as one in spirit.

Along with making the week fun and different with dress ups each day it provided a great source of spirit at the Bingham, Brighton game which was only lost by 2 points. by the Miners.

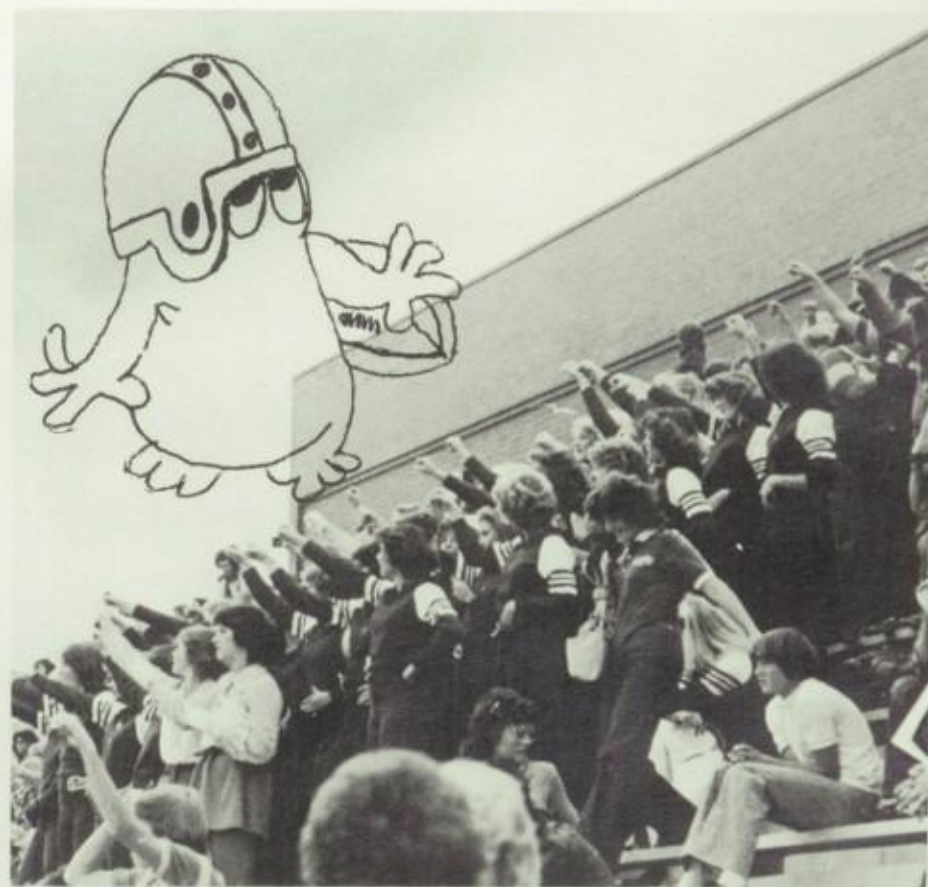

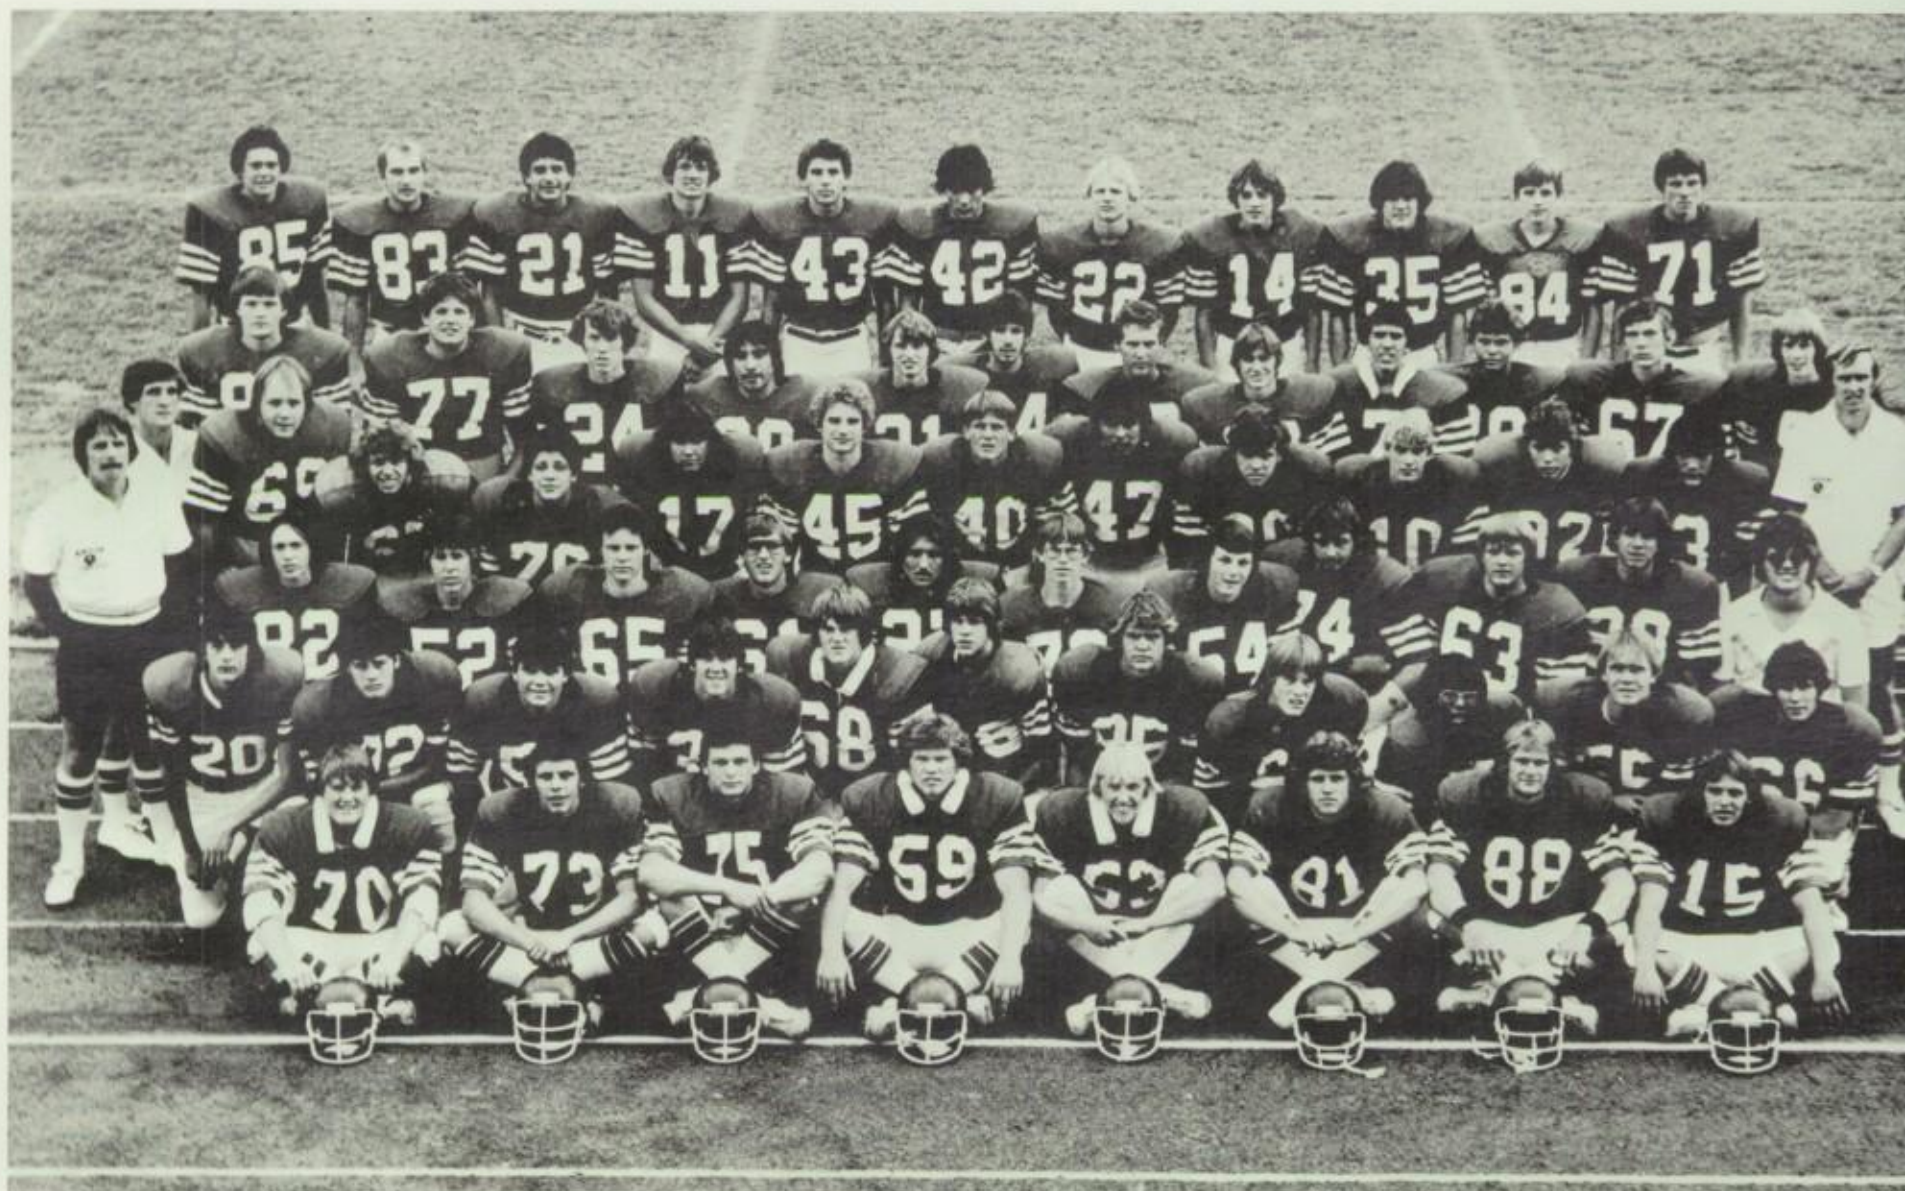

Varsity Football

Power Is Back

The 1979 football team was full of enthusiasm and determination. They perfected plays in grueling practices and came from a not so successful pre-season to a smashing 34-7 victory against Kearns in our homecoming game. Held together by teamwork coupled with the super Miner spirit, they represented our school well and we took pride in their efforts.

SHAWN HURLEY (20)-During the season Shawn had high hopes that the team would become state champs. His experience on the Varsity team has helped him to meet a lot of people.

BRIAN PAGE (15)-Brian's season hopes are to "go all the way to the 4A state championship." The team helps me get involved in the school," Brian said.

MICK QUIGLEY (35)-Our team works well together. Our goal is to take the state championship for '80. We get close friends, and it teaches us many valuable lessons to use in the future. After graduation I hope to use the lessons of hard work and determination to succeed to reach my goals."

RUSS RENTMEISTER (14)-Russ believes the team is close "because we have played together and have been friends for 3 years. We will take state. It makes me feel accepted at the school and more sociable to be on the team." After he finishes high school Russ plans to "maybe go to a small college and try out for their team."

TOM ROBERTS (34)-Tom says of the team, "We have a feel for each other. We are coming together in the practices and in the games." He believes the team will go all the way to state. "Being on the team gives me a chance to meet and communicate with good people." He plans to continue basketball in college.

JACK SINGLETON (13)-Before the season began Jack said, "We are coming together and we expect a great deal of intensity from each other in practice and games. We concentrate on one game at a time, but our goal is set for the state championship. I feel honored to be recognized as a player from Bingham High and will always remember the associations it has brought me. I would like to play for college, but if this doesn't happen I will use the experience of hard work and determination for the future."

RON VANCE (24)-Ron said the team has plans to go all the way and take state. "The team gives me good experience and teaches me many lessons." He plans on working hard to continue in basketball.

Awesome, Aint It!

The 1979-80 Varsity Basketball team rolled over their opponents, one by one, both at home and away, in preseason and season play. Each of their individual talents complimented those of the others to help them overcome the obstacles of the season's beginning and grow to play as one unit. Our team did us proud by keeping up the longtime name and reputation of Bingham High School Basketball. Our team is AWESOME, AINT IT!

A new club was formed this year involving the fast growing sport of soccer. Advisor Chris Black and members are excited about the club and are hopeful that it will become another great B.H.S. organization carried on by tradition in future years. Since soccer is becoming very popular in the world today, this sport hopefully will become a school competition like basketball, and football. When and if it does Bingham will be ready to conquer all opponents and again prove that B.H.S. is #1.

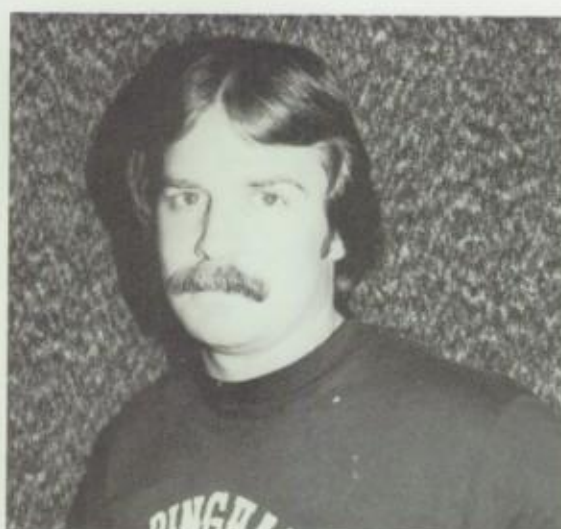

Johnny,
You've played
well this year.
There are probably
a few players
who are as talented as you are.
I look forward to next year.
Best of luck to you.

Varsity Wrestling

The Miner Wrestling team was one of the largest in Bingham's history. The team, lead by captains Jim Turner, and defending state champion Bobby Lefler, although young, was very competitive. According to coach Dan Leslie, "the support we recieved from the studentbody and especially our Pin Pals has been fantastic." With only 3 seniors on the varsity team the outlook for Bingham Wrestling in the near future is very bright.

Men's Tennis:

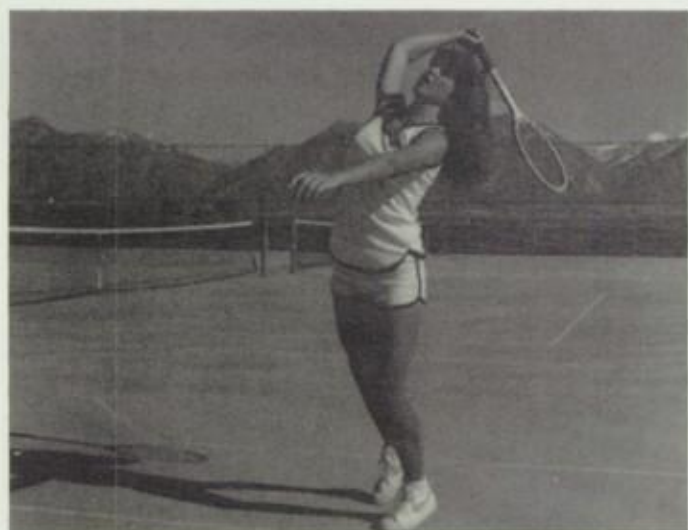

Bingham High school's tennis team consist of alot of talent and determination to tear up the courts. Coach Rudelich, who is new to the school, put in alot of hours, in the sun, to help the guys improve their game.

Wimbledon . . . Here We Come!!

The tennis team consists of fourteen talented girls with oodles of energy. Their coach is Dana Morris. The team had a relatively fun season winning five out of thirteen matches. They put in alot of work and after school practiced many hours. When one of the team members was asked what she thought about the team, she replied that they really tried and had lots of fun. Our hats off to you, tennis team.

Women*

Even though these girls don't wear starred suits, crowns, and golden lassos, they are still classified as "Wonder Women." Their games were full of mystery, excitement and fast moving action. They worked as one force against their opponents. As the nets were taken down after each game, the Bingham High Volleyball teams kept their enthusiasm for the future.

Girls Basketball

Dribble To Victory

The Miner Women of Bingham high school's girl's basketball team dribbled their way to victory throughout the 1979-80 season. The girls started out the season excited about the potential of their newly picked team. The team proved this skill through the whole season.

Gymnastics

Under the coaching of Dana Morris, the gymnastics team spent many hours perfecting their skills in vaulting, floor exercises, balance beam, and State meets, the 1980 gymnasts did an outstanding job of representing Bingham.

J.V. Cheerleaders

The J.V. Cheerleading squad for the 1979-80 lead the crowds in cheers to inspire the J.V. teams to victory. When the crowds were thin at the freezing cold football games, the Junior Varsity squad kept up the good work still cheering the team on. These girls did a great job throughout the seasons this year.

Soph. Cheerleaders

The year's Sophomore Cheerleaders did a great job in supporting the mighty Sophomore teams. Bringing excitement and spirit through cheers, these girls were just bubbling with enthusiasm! Combined with the help of two great and talented advisors such as Suzanne Oakeson and Pat Riley, they did much to support and improve the school spirit!

To Be A Minerette

What does it mean to be a Minerette? It means getting up at 4:30 in the morning to make a 6:00 practice. It means decorating lockers and sneaking treats to football and basketball "secret buddies". It means taking several first place trophies; winning state and national acclaim.

It's the exciting flight to Santa Monica; the tiring bus trip to Idaho Falls. It's the pride felt in capturing the Intermountain Drill Team Championship.

It means enthusiasm, and sometimes tears. It means achievement, frustration, diligence and patience. Growing together, loving, sharing; this is what it means to be a Minerette.

Minermania

Minermania has a lot of spirit, they support our teams and cheer them on to victory. The requirements for minermania are: One very large mouth, you should be able to yell very loud, and have lots of spirit. Minermania also went to workshops to learn hand movements to cheers. We appreciate their efforts.

Twelve Wild & Crazy Officers!

Can Government be fun?? That is a question which has puzzled many Americans throughout the history of man. And the answer is . . . You Bet!! Through all the straight faces and the hard working personalities, B.H.S. Student Government is a madhouse! Giving the students great assemblies, dances, and activities is what made them known as the "Twelve Wild and Crazy Officers!"

Prospectors

One of the most prestigious clubs at Bingham High is the Prospectors. This group of elite young men showed loyalty and good citizenship to their school as they performed the flag ceremony during the assemblies. They also sponsored two successful canned food drives to help a few needy families in the community.

Prospectors face many challenges.

Adagio Officers

Adagio

Adagio's year turned out to be one of the best ever. They took part in many performances including Floor Shows, Candlelight, Children Christmas Programs and Home-shows. They also did an outstanding job on their spring concert. Mr. Ken Cox, their advisor, has spent many hours of teaching and perfecting to make what is today the Adagio Club of Bingham High.

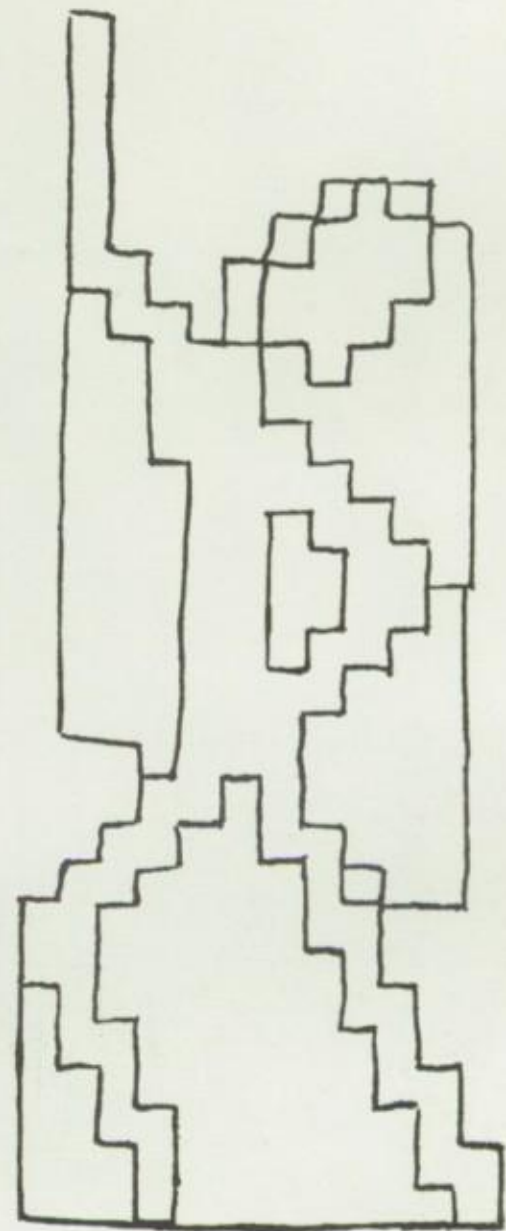

Row 1: Kristi Fraughton, Ken Cox, Advisor, Lori Ann Miller. Row 2: Paul Bronbank, Darla Pack, Steve Robinson, Wendy Jesse. Row 3: Diane Miller, Danny Moyer, Keri Lopez, Scott Lister. Row 4: Doug Bingham, Chris Mishack, Karen Holt, Terry Acrodino, Tami Platt, Dan Gurr, Lori Jaramillo, Tana Woodward, Greg Smith, Lisa Shurman, Trent Jenson.

Dance Company kicked high in the dance concert, reaching perfection in their well performed show. To be a member of the Dance Company you had to be selected from a large number of girls who tried out last year. The members do well in representing the fine talent at Bingham. Those who attended the dance concert know how much time and effort went into each dance and what a superior job they did!!!!!!

Shapes, movements, music, costumes, and creativity, all are a part of the Bingham High Dance Concert. The Concert was presented exclusively by the Dance Company. Many hours of practice were put in to make this years concert a great success. It was entitled, "Over the Rainbow", and was presented March 27th, and 28th in the Bingham High Auditorium. Live music was a new and interesting edition to the concert. The efforts put into the concert were greatly rewarded.

"Standards of Excellence" run deep in the B.H.S. debate squad. Their excellence is well noted throughout the state by their winning many major tournaments. Senior debate teams have shown their excellence at tournaments like University of San Francisco, Loyola, Redlands and Berkeley.

Individual events include; oratory, impromptu, extemp, and student congress.

Contrary to popular belief debate is not all work and no play.

I have two responses and an underview;

1. Debate is a learning experience

subpoint A. Learning to act humble after verbally crushing an opponent.

subpoint B. Learning to make up for your partners blunders.

subpoint C. Learning to succeed in spite of your coach.

2. Debate is a cultural experience with opportunities for

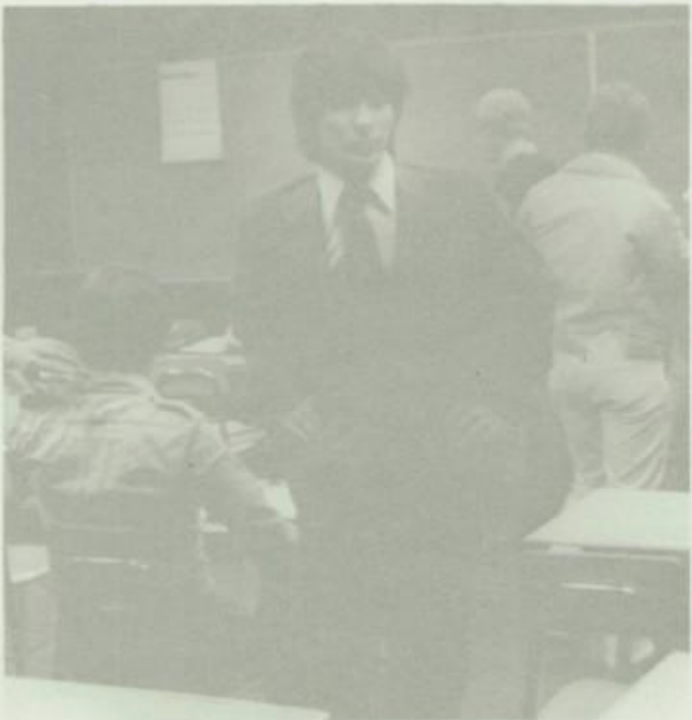

subpoint A. Staying in some of the nations most luxurious motel 6's.

subpoint B. Dining in the elegant atmosphere of McDonalds, Dennys, and Sambos.

subpoint C. Playing frisbee - coast to coast.

An Underview:

Debate is more than cutting cards, gluing evidence, filing, flowing and developing arguments; it is knowing that winning isn't everything when you lose, but its the only thing when you win.

The 1979-1980 Art Club was the best Art Club to have pushed forward in spirit and pride for the school, pinning up posters that read, "Art Club supports the team" and selling Art Club made pins and planning and working on the school gift as one of their projects. Also raising money to go on a field trip.

They have promoted school spirit and service, promoted development of the Art Program and Art work in the school. They advertised and helped sell Art Club member's work.

To brush up a new year, the officers went out to breakfast and discussed the business and activities of the Art Club. One of the activities included a trip to the Art Center in Salt Lake.

By December they painted up a Christmas party. Not to mention, but to announce, their "Spring Spree", where they spent a whole day doing their very own thing away from the school.

The Art Club members all have artistic ability and are members of some Art Class. Ranging from Ceramics to Fine Arts, Photography and Commercial Art.

1979-1980 surely has been a scenic year for the Art Club. With a palette and a paintbrush in their hands, they created and promoted spirit.

If you thought that the B-Book brought you fun, you should see the people who put it all together for you. Now if you like a group with colorful wit, you'll love these guys. Mr. Steadman's first and second period graphic arts classes are the ones who do it for you. Notwithstanding their love of fun they do their work and do it well.

Spectator thrilled by performance!

Coached by director Camille McClurg the A Cappella choir had a Fabulous year. Through various exciting performances they showed their versatility and fine talent well. All those attending the Candle-light must agree we have one of the absolute best musical programs in the state.

Concerts Are Their Thing

It takes a good soprano, alto, base, and tenor to combine together and make a choir. Miss McClurg has done this in a very skillful way to provide harmony and entertainment for the audiences at the candle light service, the spring concert, and a Region 2 training festival.

Freshmen Sing Out In Style

Harmonizing is what the Freshman Chorus does best. This chorus is formed entirely of Freshman voices. Miss McClurg and her class has worked hard this year and it has paid off very well. They have been invited to participate in the Region II Training Choir Festival and are hosting the Spring Choir Concert at Bingham.

Symphonic

It takes a lot of skill to combine brass, woodwinds, percussion, and other assorted instruments, to make a band as professional sounding as the symphonic is. Mr. Cook has used his skill and knowledge of the business, to make symphonic band great. The symphonic band travels a lot and they have been to Washington D.C. Hats off to symphonic band!

Boys and Girls State is an organization that is willing to put in a lot of time to learn our government. Last summer the boys had a great time in Logan while the girls studied hard in Ceder City. They were involved in lectures and had visitors to aid them in their learning. They set up their own towns and political parties as part of the learning process. They learned that government officials are elected on the city, county and state levels. From this, each individual feels he/she has a better understanding of our complex government.

Excellance

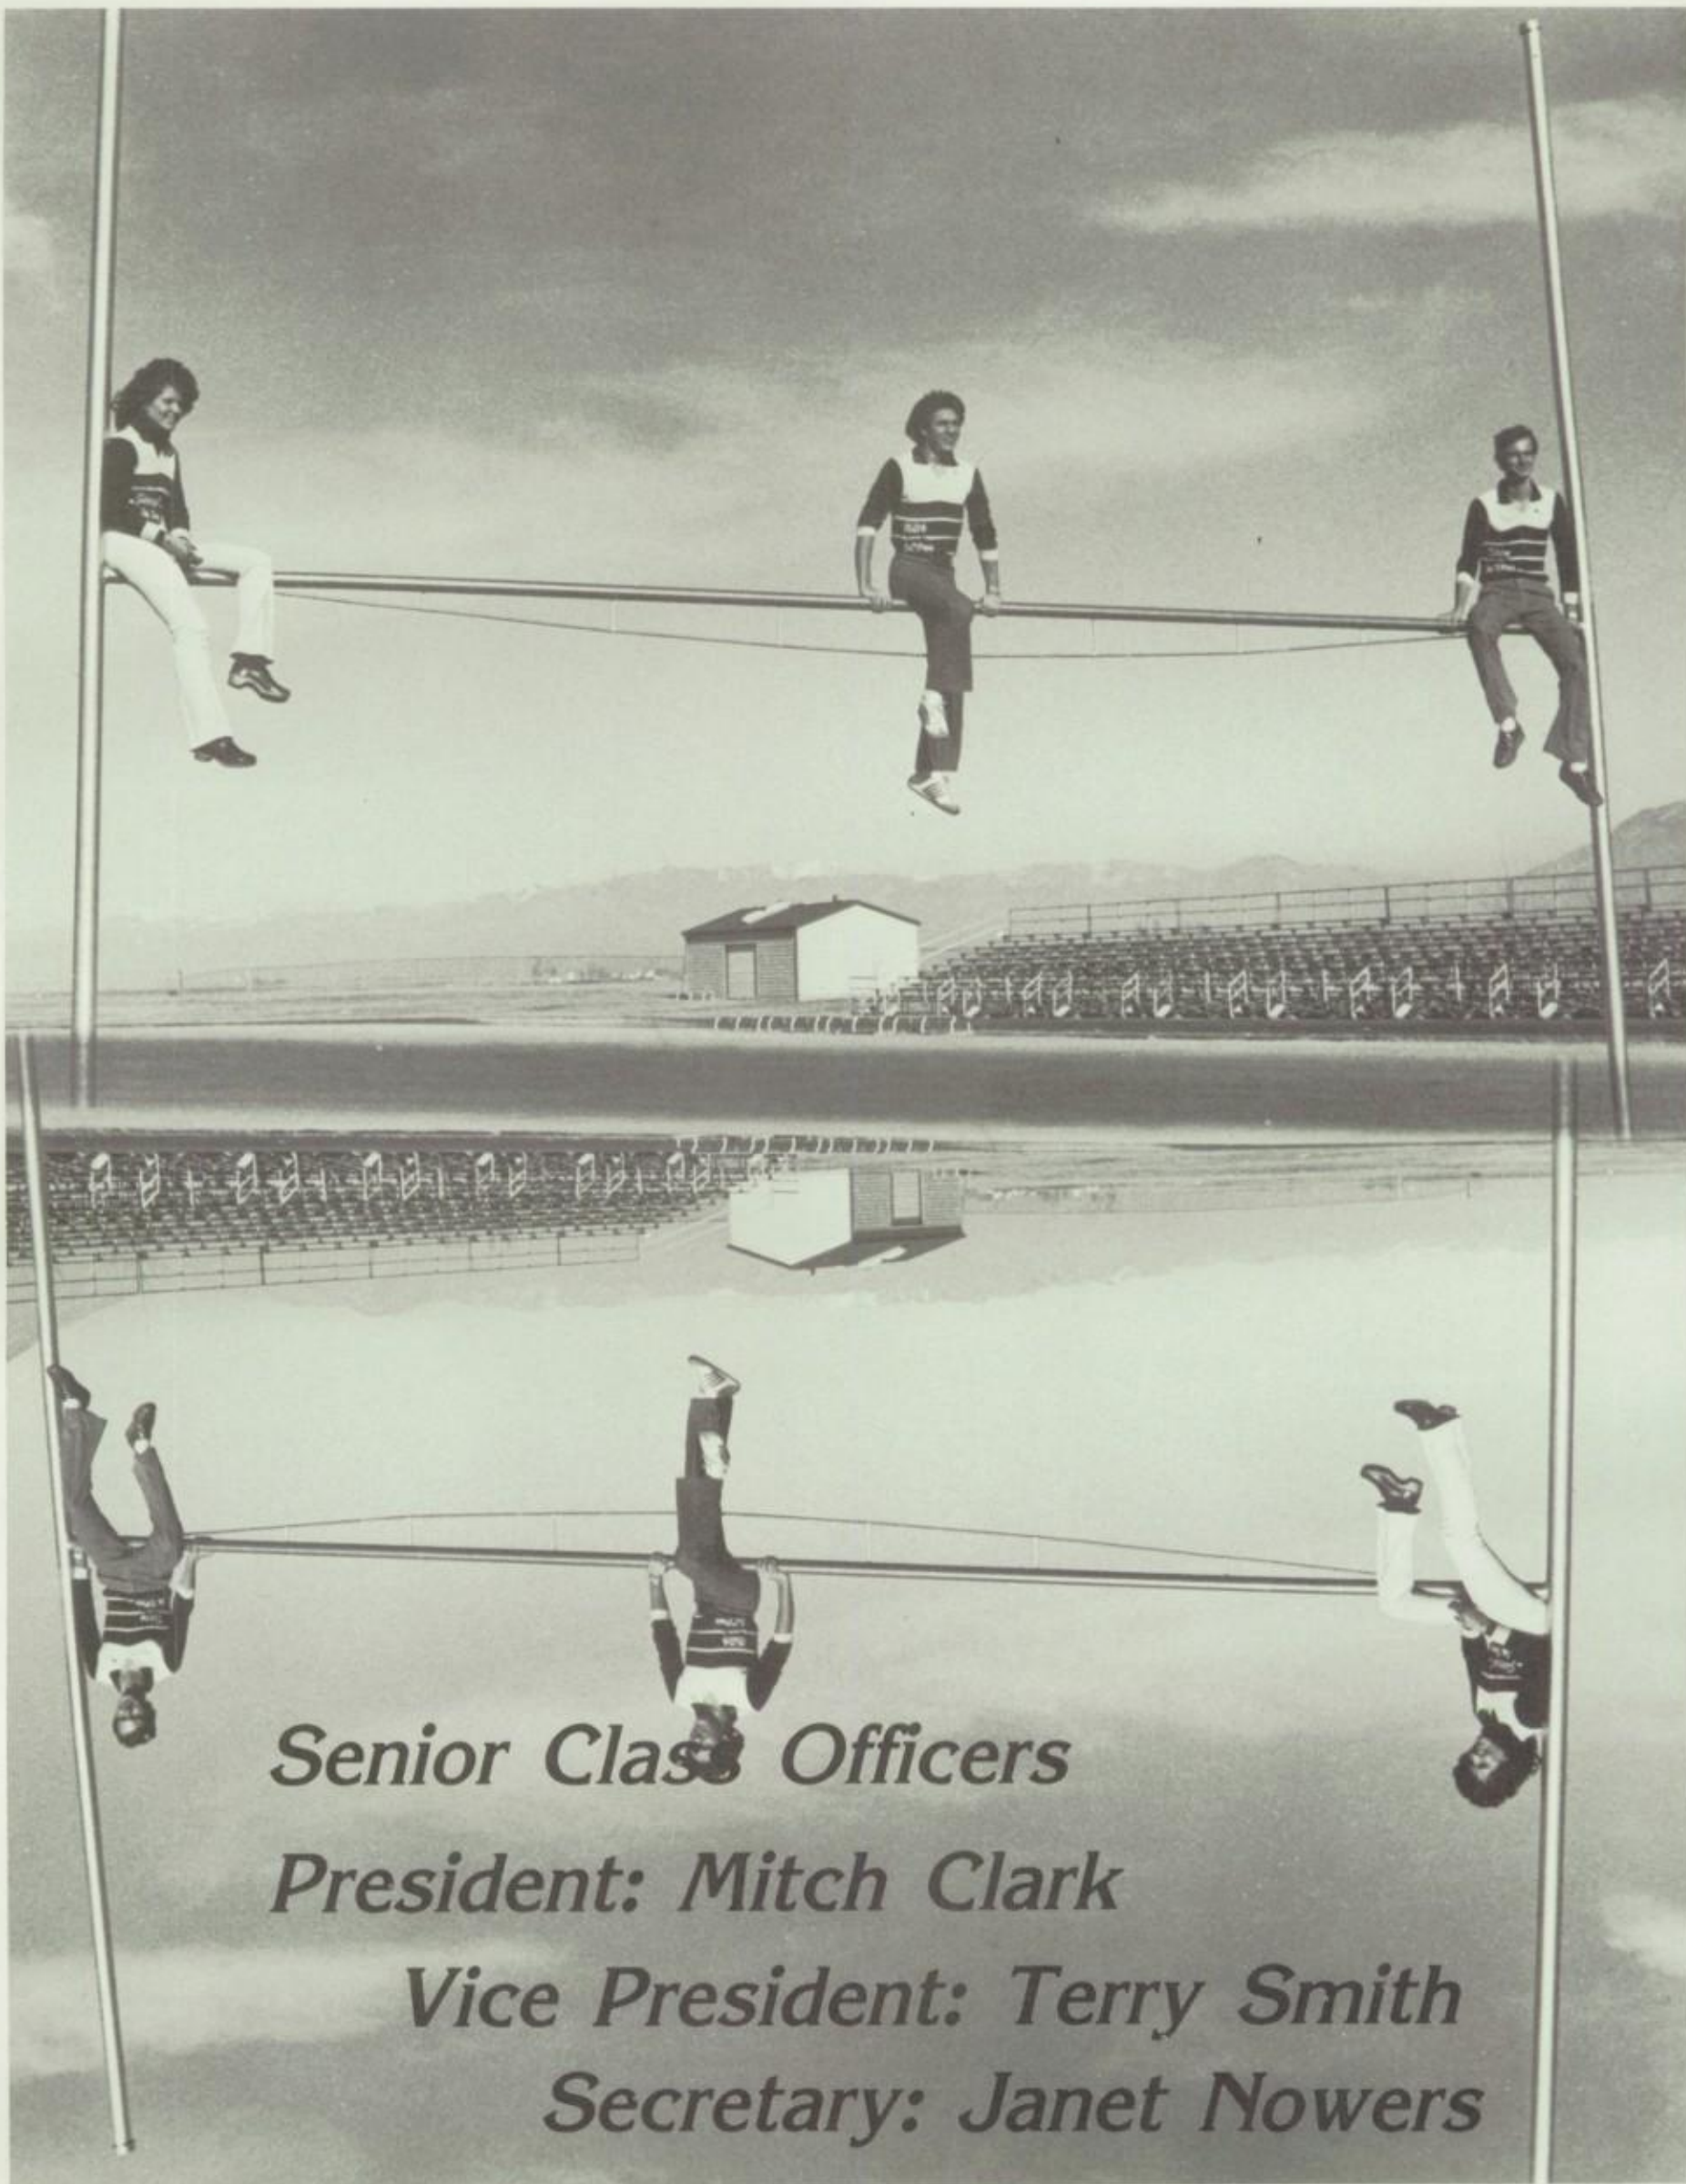

*If a ship of dreams bid me come,
Would I board it?
If I had their gold in my hands
Would I hoard it?
If I knew the trials I must face,
Would I carry on at all?*

*Sail into tommorrow,
Living day to day
That's all I can afford to do
And all I'll ever pay
Is a song to sing to thank you
For making me alive
And a prayer to bring you comfort
Lord help us to survive.*

*If his pretty eyes shone my way
Would I leave you?
If I wasn't sure he would stay
Would I decieve you?
If I had to melt you with promises
Would they stand or fall*

Bonnie Swofford is an outstanding senior. Her achievements and honors include a list of many. Bonnie's extra curricular activities include secretary of National Honor Society for the past two years, editor of the school newspaper staff, secretary of the Seminary Council, and extemporaneous speaking captain for the varsity debate squad.

In her spare time she enjoys back packing, snowshoeing, sewing, crafts and most sports.

Bonnie has been honored with numerous awards both in Debate, Journalism. She was also chosen as a finalist in the 1980 Coppertonian pageant.

Bonnie is indeed an example of the all around high school senior, and a person to be admired.

Jr. Prom

Promenading was one of the traditional events of this years Junior Prom, held at the "exquisite" Capitol Rotunda Ballroom April 25th. The colors chosen for this prestigious dance were maroon and silver, which was very effective in setting the mood for the theme "forever." The whole evening was very memorable for the whole Junior class of 1980

A black and white photograph of three students posing against a brick wall. At the top, a young man with long hair is smiling and looking upwards. In the middle, a young woman with shoulder-length wavy hair is smiling and looking towards the camera. At the bottom, a young man with dark, curly hair is smiling and looking towards the camera. The woman is leaning over the man at the bottom, with her hands on his shoulders. The man at the bottom is wearing a light-colored shirt with a dark collar. The woman is wearing a light-colored top with a dark, patterned collar. The man at the top is wearing a dark shirt. The background is a brick wall with a wooden railing visible in the bottom right corner.

Intermediate

Couples enjoy a slow dance.

Sophomore Queen and King, Leslie Parry and Bill Campbell.

Sophomore Stomp

The Sophomore Stomp had a good turn out this year. The Sophomore King for tis year is Bill Campbell. The Queen is Leslie Parry. The Runnerups are, Cheryl Anderson for the girls, and a tie between Chad Downs and Steve Kubitz for the guys. For all those who went, it was a great stomp. "Rainbow" holds a contest every year, and gives a free stomp to the school with the most enthusiasm at their stomp, and Bingham won.

Sophomore Class Officers- Leadership In Training

What a super, great year!! We proved that the class of '82 is the most fabulous class that ever attended Bingham High School. Academically and Athletically we have risen to great heights. We had the most spirit-sometimes, and we had the most class-ALWAYS! The Sophomore class was usually the first and the best to support the various clubs, organizations, and the school. I really loved working with Merilyn, Karen, the other class and student-body officers, and you, the sophomore class. Thank You for your support.

Neal

MERILYN KOURIS-SOPHOMORE VICE PRES.

The Sophomore class was the greatest class of all. I love ya all!! I've had so much fun representing all of you and the school. One of the Vice President's jobs was to keep our President and Secretary apart. That was a blast! You don't realize how strong people really are. The advisor and other officers were really great too, and I loved working with them. I think the best way to have fun in school is to get involved and not sit around. Bingham High was, is, and always will be the best. Thanks for voting me in to represent you this year. It was Fabulous!

Merilynn

Well, you great Sophomores, the year is over and it really was a great year. It was a privelage serving you and our school. It's been a blast of a year working with the other officers, keeping our traditions, and creating new ones. My goal this year as secretary was getting people involved and our spirit "sky high". We really hit the stars!! Being your secretary was really great. I Love you all!

Outstanding Achiever-Music

Outstanding Sophomores are found every year in the music program here at Bingham. A fine example of excellent musicians are: Brenda Bailey and Phillip Turpin.

Brenda is now in her second year of choir at Bingham with Miss McClurg. Last year she was in Mixed Chorus and is in Concert Choir this year. She loves to sing and was in the chorus of this year's musical "Oliver". She is an excellent musician as far as reading notes and rhythms correctly. She is also learning to play the guitar.

Phillip is also taking choir for his second year. Last year he sang in the Concert Choir and this year is in the A Cappella and Madrigal Choirs which is really outstanding because they are Junior and Senior choirs. He also sings tenor which isn't too commonly found in a guy. He is an overall excellent musician!

Outstanding Achiever - Art

This years Outstanding Achiever in the field of Art is Linda Lee Anderson. She was chosen by her Art Teacher because of the great potential she has and the dedication she gives to her teacher, her class, and herself. She really loves to draw and probably will make her career in Art as a model and clothes designer. She loves to draw different poses of people in different outfits. She has achieved good grades in all of her classes and has a great personality. She was chosen by her Art Teacher to be one of the best artists in the Sophomore class. Congratulations on a job well done!

Outstanding Acheiver - Sports

Alan Pollard was chosen as this years outstanding Acheiver in Sophomore Sports. Alan has come from a family of not just tall people but great basketball players. His father, "Poison" Pearl Pollard, was known state wide for his outstanding ability to play basketball in the middle fifties and is probably the main source for Alan's great basketball playing. As a Freshman, Alan was chosen as the most valuable player in the Marie Calender Basketball Tournament. This year Alan was on the Varsity Basketball Team and has hopes at a starting position. Alan really has great potential. It's no wonder why everybody "looks up" to the well known Alan Pollard!

Yearbook OOPS:

The Yearbook staff found out that when putting out a yearbook there's bound to be problems. Like the time consuming efforts of developing Air, reconstructing ladders and mailing empty envelopes. There's always those who enjoy passing the time ruining 6 rolls of film, using favorite chairs, and changing the carpets original color to a beautiful black. Ammouncements are made daily, along with our prophets, David Hogan and Gary Ziegler trying to set up a ZION yearbook staff.

Yes, they've had there share of mistakes, but it all goes together when putting out a great book.

WHERE WERE YOU WHEN THE LIGHTS WENT OUT?

Well, I suppose you've heard about what happened on January 10th here at Bingham. Just in case you haven't, I'll tell it again. (I've told it a hundred times you know.) Anyway, there I was sitting in my 3rd period class, paying attention and doing the work like I always do, when I felt the need to blink. So I blinked, and when my eyes opened back up it was still dark. I knew I wasn't blind so I tried again, same results. By this time the animals that sat over in the corner were taking full advantage. I could tell when I heard some girl scream. My teacher caught on; she threatened to give us a test on the lecture notes she was going to write on the board. Sure, in total darkness. Every once in a while a dim light would flash in the hall. That meant the administrators were checking the cages. But someone had opened cages and animals were loose around the halls. You know, I heard that 30 minutes in total darkness can really throw your mind off the track. Anyway, half my class crawled out on their hands and knees so when our teacher was convinced that only a few of us had faithfully stayed she let us go on the condition that we forget her name. Terrific! It's not like teachers are a pleasure or anything. So we left. Halls are a jungle anytime, but it's good advice taken from experience to avoid solo walks in the dark. The guys still found enough light to determine a target for their animal lusts.

About two hours after the initial shock the principals happened to find some extra buses wondering around and convinced them to take us home. After a lot of locker hassles we got to the buses and finally, home.

Anyway, that's where I was when the lights went out. Where were you?

*Bingham sons and daughters
Like the mighty waters
Roll along to victory.
Tides of warriors greet us
With their teams to beat us
But we'll fight for victory
Onward, onward, team against the foe
Forward, forward, the honored banners go.*

*All our foes will tremble
As our teams assemble.
On, on, on, to victory.*

*Hear the echoes ringing
Hear the students singing
'Tis our song to victory.
Colors flying o'er us
Blue and White before us
Lead us on to victory.*

*Onward, onward, team against the foe
Forward, forward, the Bingham Miners go.
Bingham we are with you
And we're here to cheer you.
Fight, fight, fight, for victory.*

OUTSTANDING TEACH

THROUGHOUT THE BOOK, YOU'VE PROBABLY NOTICED OUTSTANDING STUDENTS IN THERE VARIOUS FIELDS, GRADES, AND ACHEIVEMENTS. BUT HOW MANY HAVE REALLY NOTICED HOW OUTSTANDING THE TEACHERS AT BINGHAM HIGH ARE. CERTAIN STUDENTS WERE ASKED, AND WE CAME UP WITH THE EIGHT MOST OUTSTANDING TEACHERS IN THE SCHOOL IN THEIR VARIOUS DEPARTMENTS. WE'VE FELT THAT THEY'VE DONE AN OUTSTANDING JOB AND SHOULD BE RECOGNIZED.

"Wow!! He's sexy!" exclaims one of his students. That's one of many characteristics found in Mr. David Judd, a College Prep teacher in the English Department. Besides the fact that he is a "sexy" and a well dressed person, Mr. Judd is intelligent, well organized, and is concerned with each of his students. He is also very motivated in his teaching. To sum it all up, he's a very together person!

Mr. David Judd-English

"A constant smile" was the reply about Miss Corinne Chatterton. She is a business and type teacher that is quiet but very supportive of her students. They appreciate her willingness to help. The fact that she is good looking and that she also dresses nice, keeps her male students on their toes. So Miss Chatterton, watch out and keep up the good work!

Miss Corinne Chatterton-Bus.

There is a large background of musical ability endowed in Miss Camille McClurg. Prior to teaching at Bingham, she's taught at Midvale Jr. High, sung with the Brigham Young University A Cappella Choir and is currently singing in the Salt Lake Symphonic Choir under the direction of Mr. George Welch, music teacher at B.H.S. prior to Miss McClurg. Expecting a lot from her choir students, which she "usually" gets, helps her to keep her reputation as a fine choir director throughout the district. At times, she likes to drop her choir duties and become a typical Bingham student (especially on tours) and has a blast doing it!

Miss Camille McClura-Music

Who has the greatest sense of humor in the Math Department?? That's right!!!, Mr. Dennis Archibald. He's one of the many teachers at Bingham High School who relates well with their students. Student input is what he appreciates the most in his math classes. When the students were asked what they appreciated most about Mr. Archibald, replys came up like: "He's nice!", "He explains everything fully." He also puts up with a lot of bull. Most of all is that he has a great sense of humor.

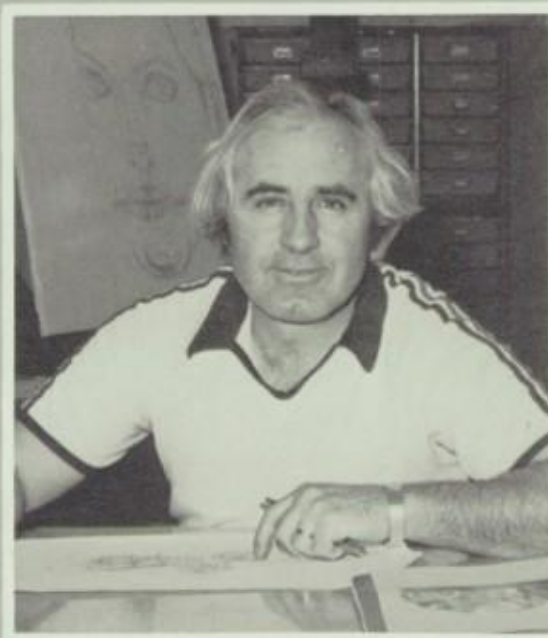

Mr. Dennis Archibald-Math

ER AWARDS 1979-1980

Miss Esther Halliday-Health/P.E.

Determined, friendly, intelligent, and good-looking can be summerized in two words-ESTHER HALLIDAY!! Miss Halliday gets along and relates well with her students. She uses her authority by knowing when to joke with her classes and when not to. Besides being a excellent Physical Education teacher, she is also very skilled in teaching Mental health and Goal setting. She is very ambitious and has a great outlook on life. She has many goals set for a happy and prosperous future and expects to achieve them.

Mr. Jerry Durrant Art

For the Outstanding Teacher Award in the Art Department, Jerry Durrant takes the cake. He always has new and creative new ideas for everyone. His students say he is a teacher who is very personalized, but they are free to be themselves around him. He's always willing to help his students become better artists by using the talents that he has on his classes. He's one man that can take an ugly duckling and change it into a beautiful swan.

Congratulations!

Mr. Barry Lehto-Science

If you just happen to see Mr. Barry Lehto pretending to throw a football pass, or taking a hike, or showshoeing a cold and wintery mountain, don't be surprised! In fact he is one of the most enthusiastic outdoorsman in the school. By starting the Mountain Club a few years ago, he had hopes of getting the students at Bingham to be enthused as he is. His students say he's always pleasant and gets along well with everyone. "He puts up with a lot from his students," comments one of his science students. Even though he likes to wear pullover sweaters, he's still a cool guy to have for a science teacher.

Mr. Keith Chapple-History

One day, if you just happen to be taking a walk, and happen to be in the History Dept., stop and take a look in the classroom at the end of the hall. To your surprise, you'll find a blunt and to the point, easy to get along with person. Colorful speech, and a great joke teller are just two of many outstanding characteristics found in Mr. Keith Chapple.

As it comes down to it, without these outstanding Teachers, for some of us-this may never happen.

Onward

This year along with saying good-bye and good luck to the graduating class, we will also be saying this to a very special and important man. Mr. James Shurtleff, our principal. Mr. Shurtleff is a very aware man, he's always interested in the students and their problems and always helps in any way he can. He is also supportive of the teachers and their programs. He's involved in all things in the school.

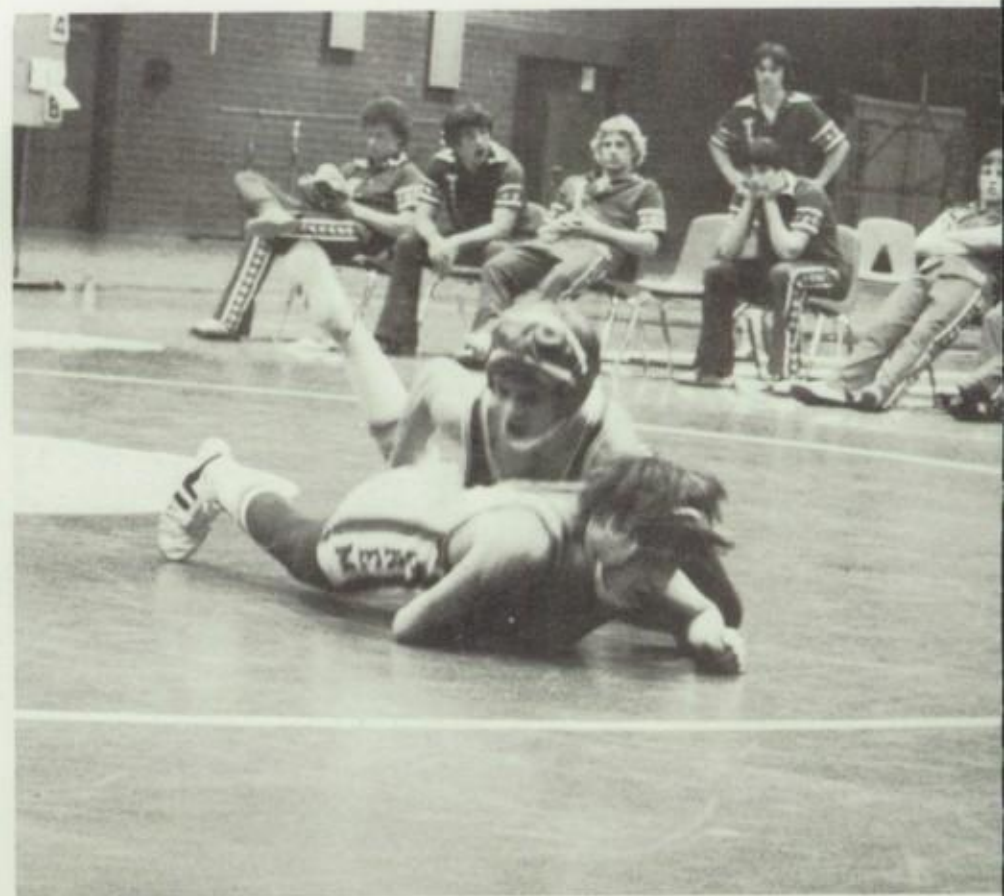

We will really miss seeing him at all of our activities, and at his desk working to improve the school. But we wish him the best of luck in everything he does.

State Champ

Bobby Lefler, senior this year, has achieved high honors in wrestling by taking the State title in his weight two years in a row. Through the long, hard practices, then the difficult meets, and on to the State tournament, Bobby has always come out on top!

Our hats are off to him with congratulations and Good Luck in the future.

Say What?

While walking through the halls on a typical day at Bingham, a person from a different place and time may find many stumbling blocks in understanding the language he hears. Have you heard these?

Is Dating All It Seems?

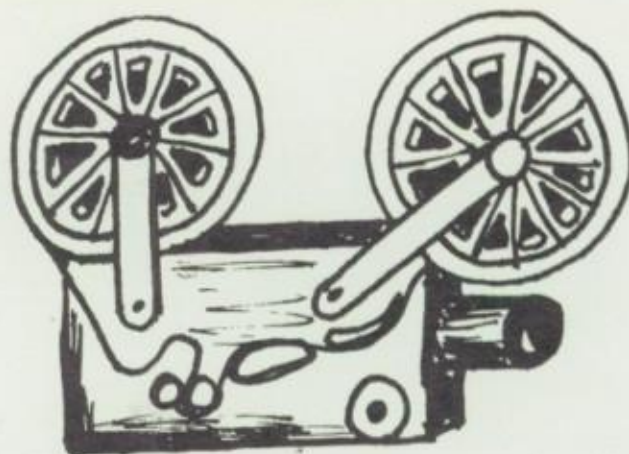

Can you imagine eating dinner in a semi when it is going and not even knowing you are in a semi?

What about being set up with a girl and going to the disco. When you get there they won't let you in because you are wearing tennis shoes. Then you run to the nearest K-mart to get a pair of cheap shoes and get back to find out you can't dance because your shoes are too tight. Then you are ready to leave and you step on the stairs wrong and fall. Your fall leaves you with a sprained ankle and you hit your mouth on a table and split it wide open.

How about leaving in your formal after the Jr. Prom, thinking you were going out to dinner, and ending up in an abandoned gas station. Your date sets up a table, and the main course at dinner is sandwiches.

Try asking a girl out and picking her up to find out the truck is broken down and your parents need the car. So your parents end up going out on a double date with you.

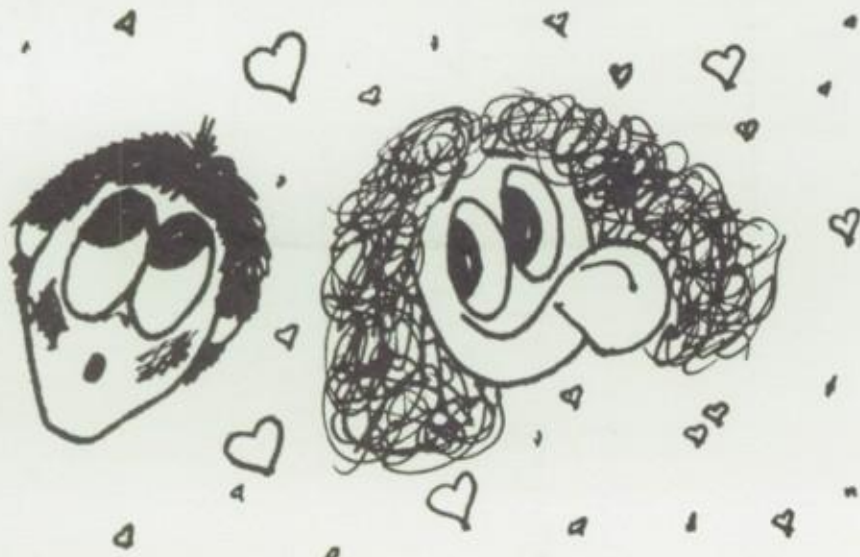

Believe it or not these dates are some of the unusual ones people have been on at Bingham High.

The Family

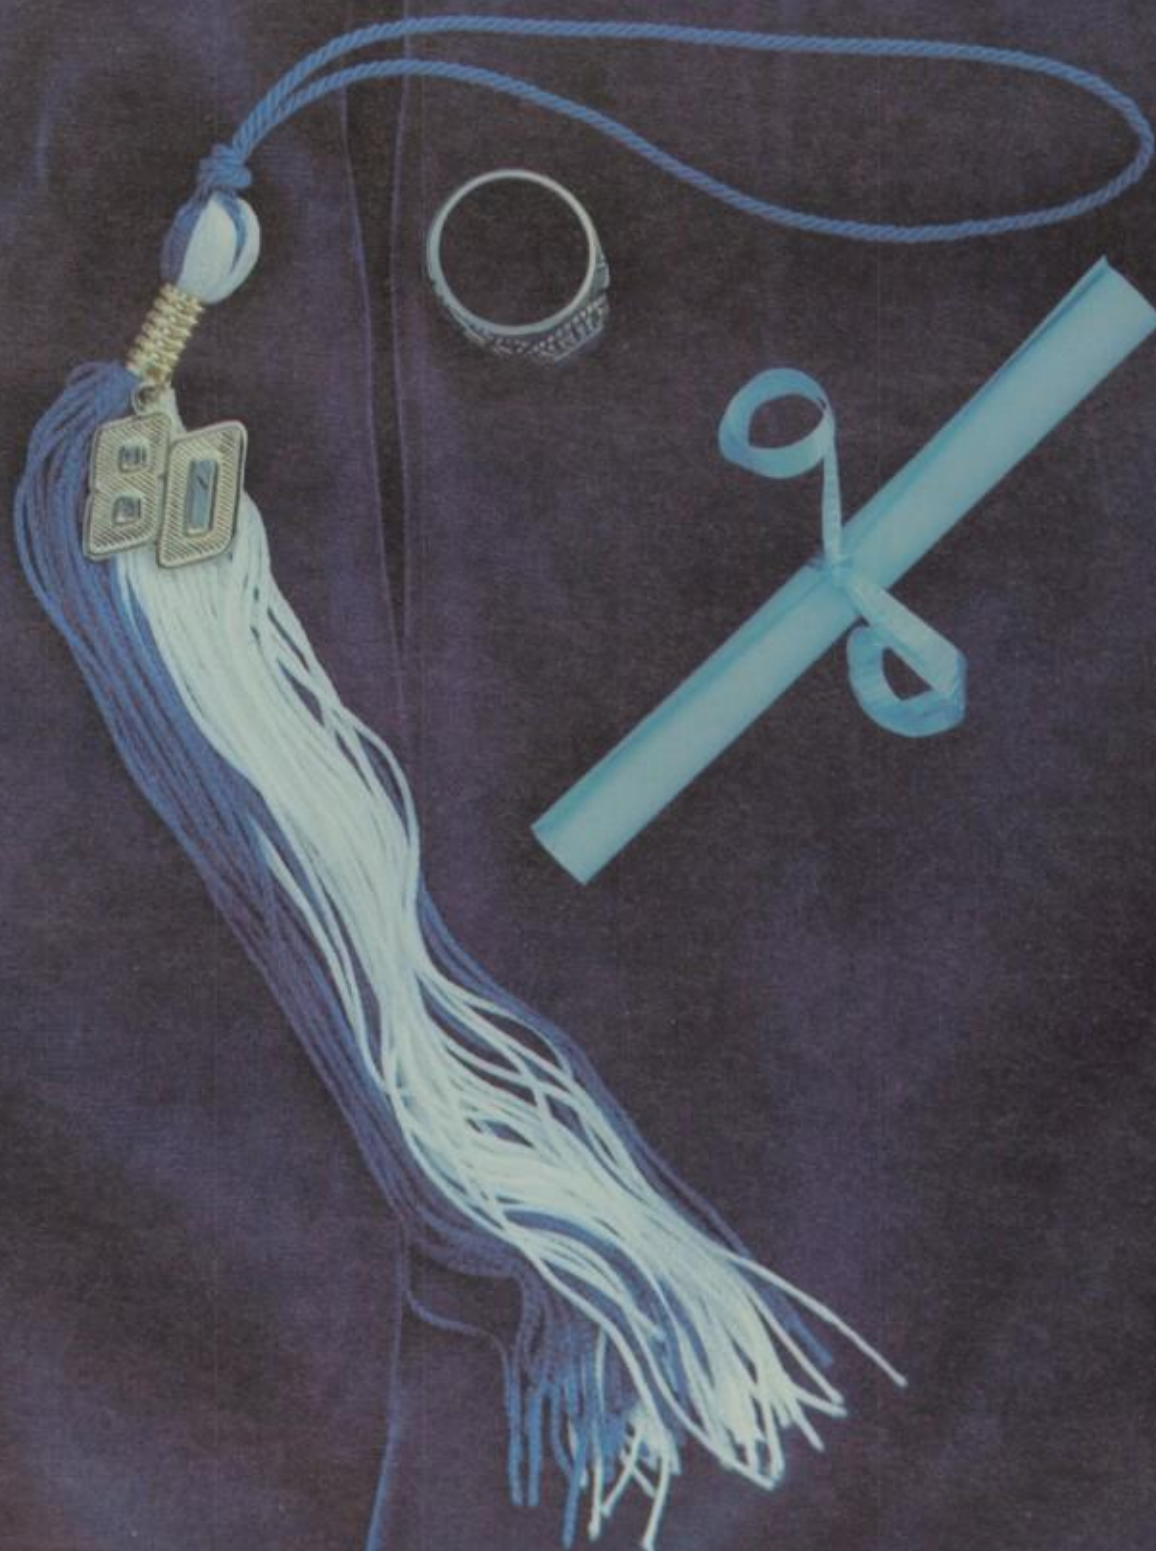

Bingham yearbook staff...

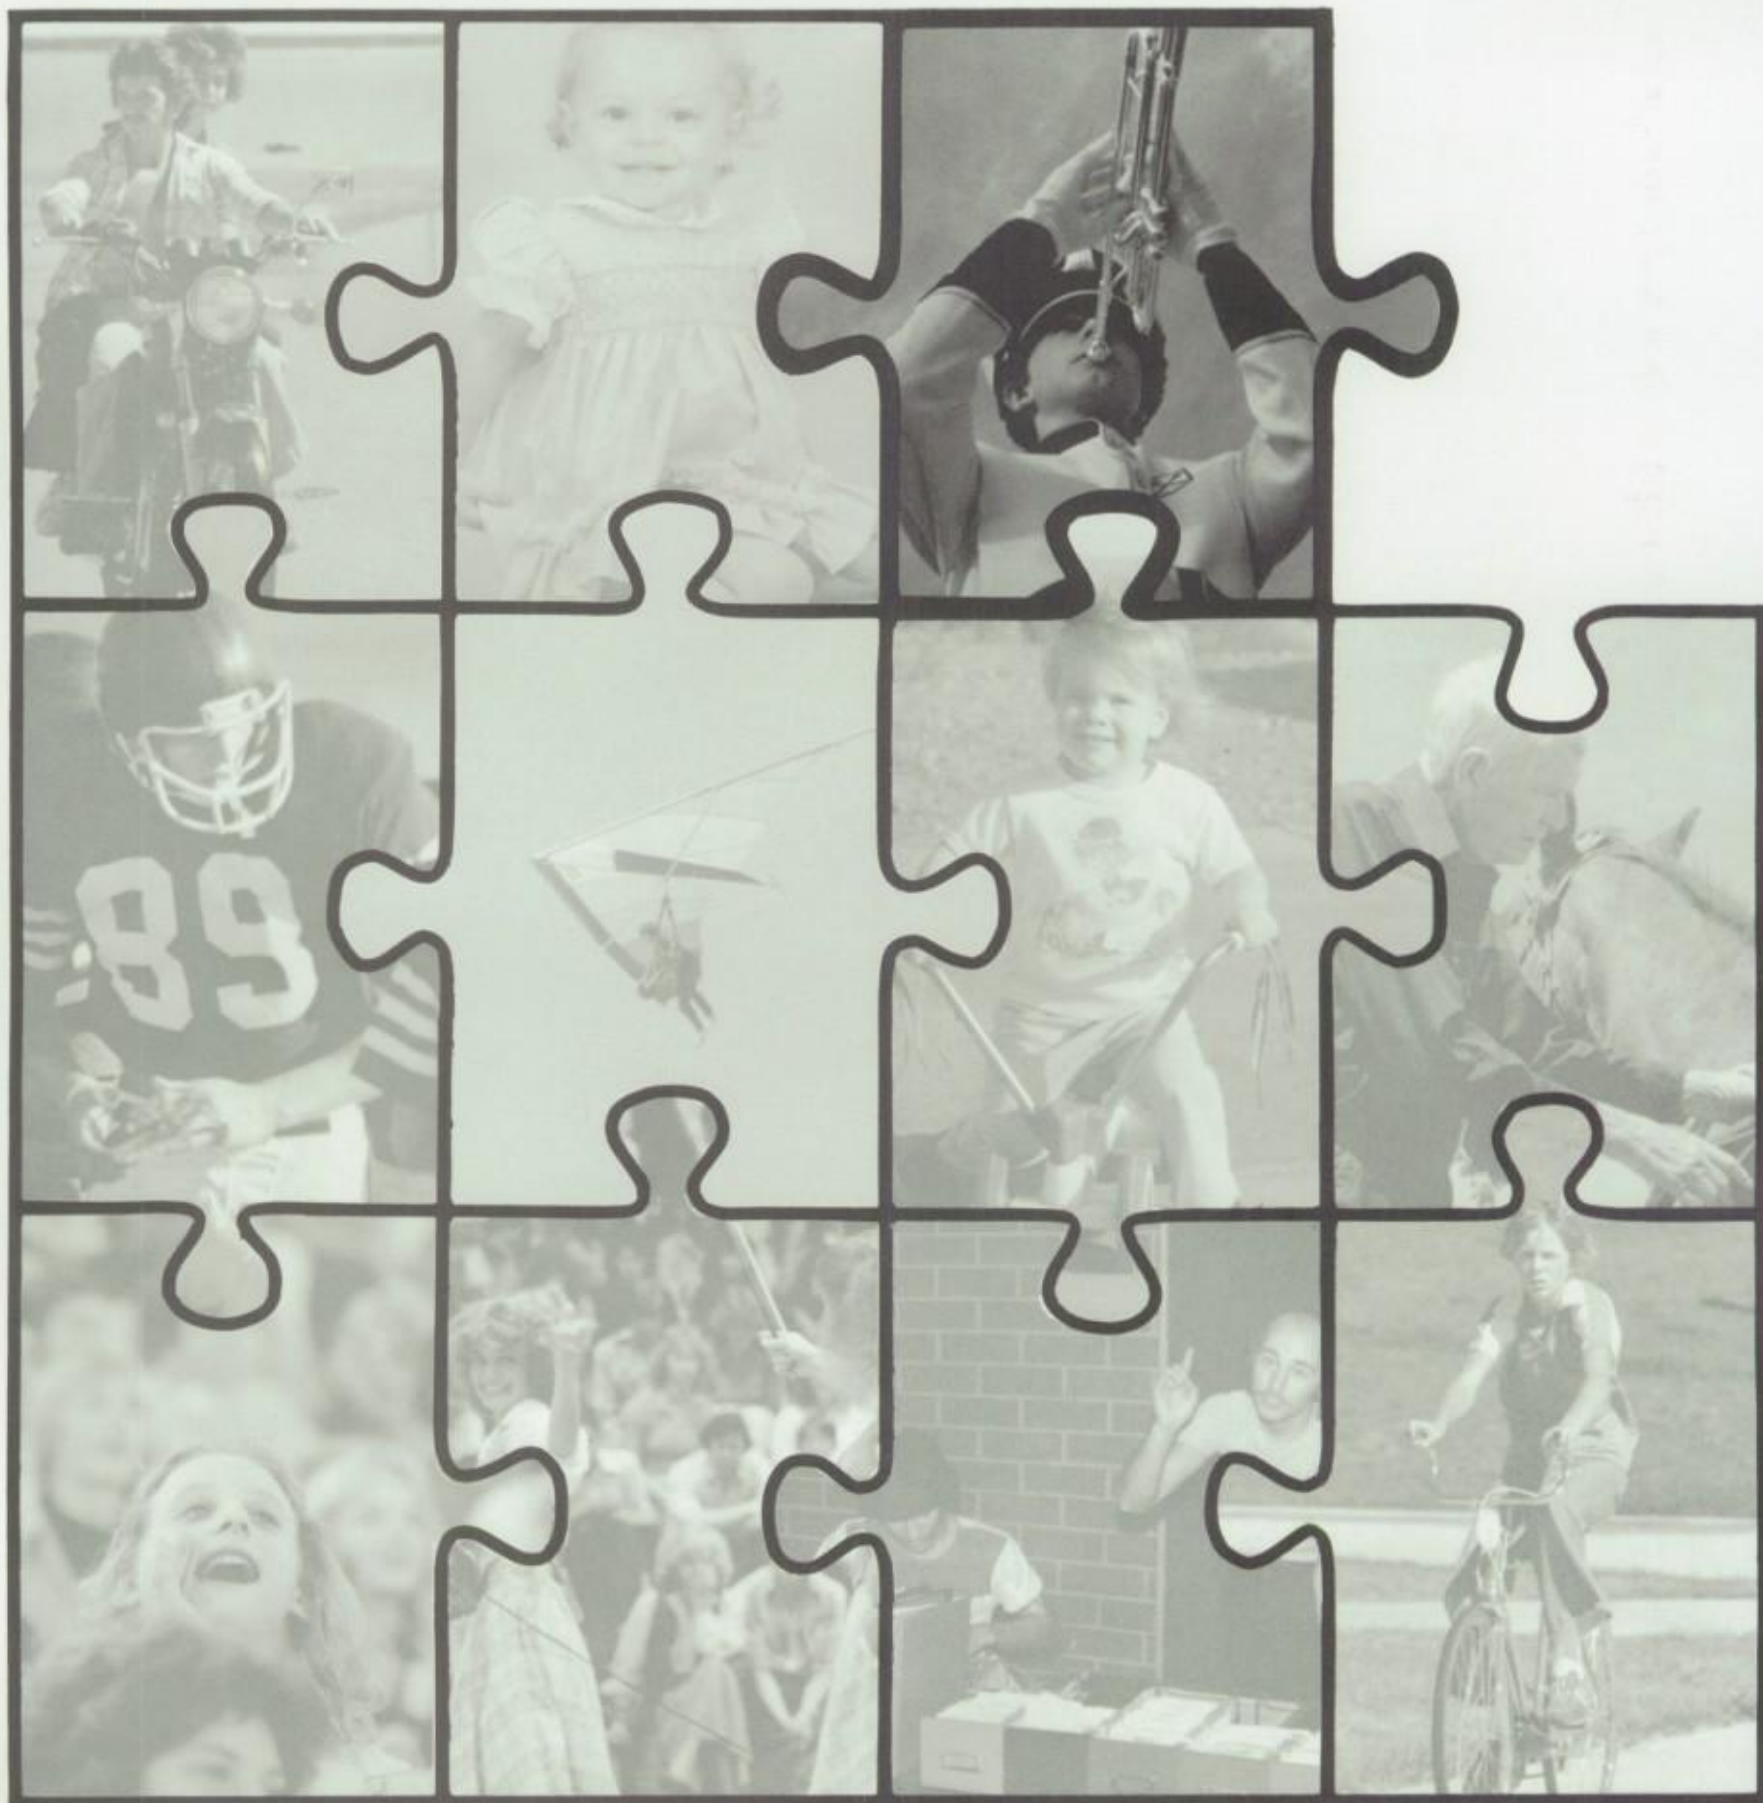

A room of cheerful, loud, and ambitious students. The staff works to benefit the student body and themselves for the future. Yearbook is more than yelling, meeting or missing deadlines, planning pages, working with many people, the hassles, and the problems of every day sixth period. It's the challenge of accomplishing assignments, and the lessons learned from working together. Its the special love that grows between a close knit group that turns a class, into a family.

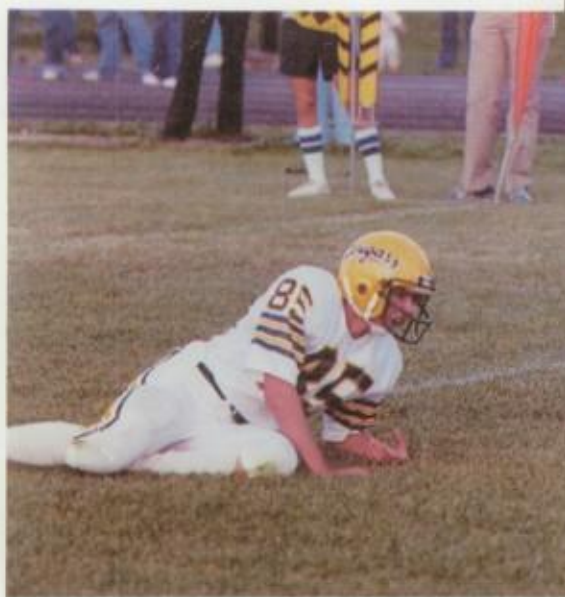

Graduation

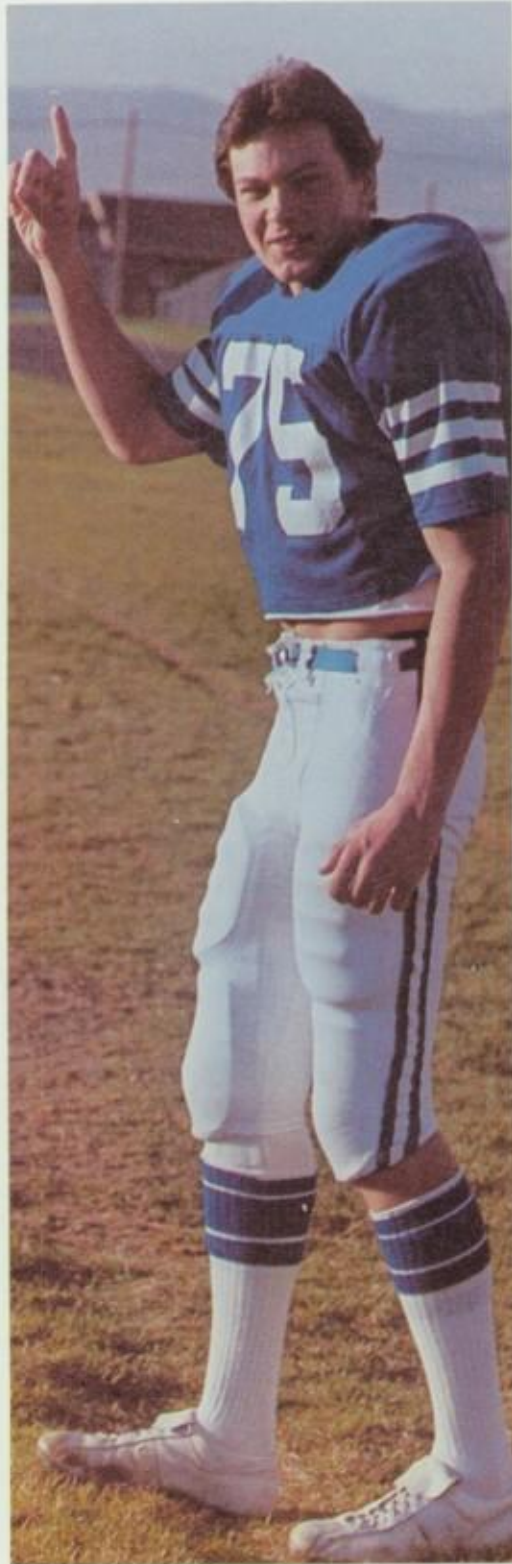

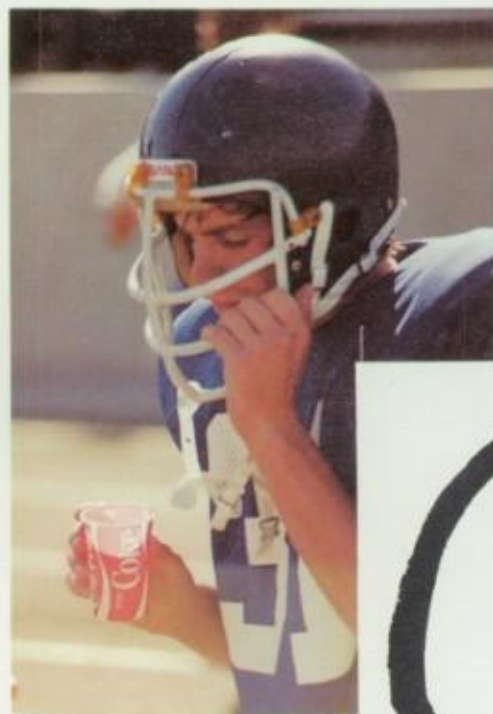

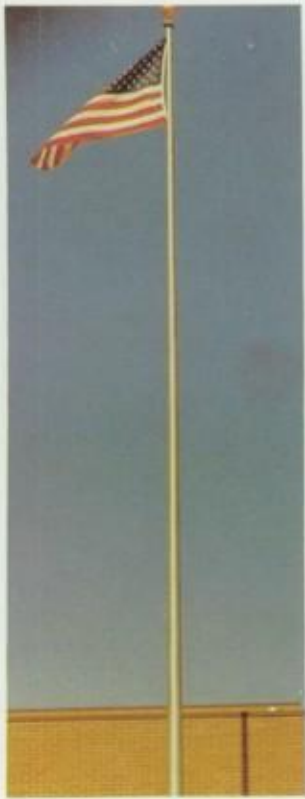

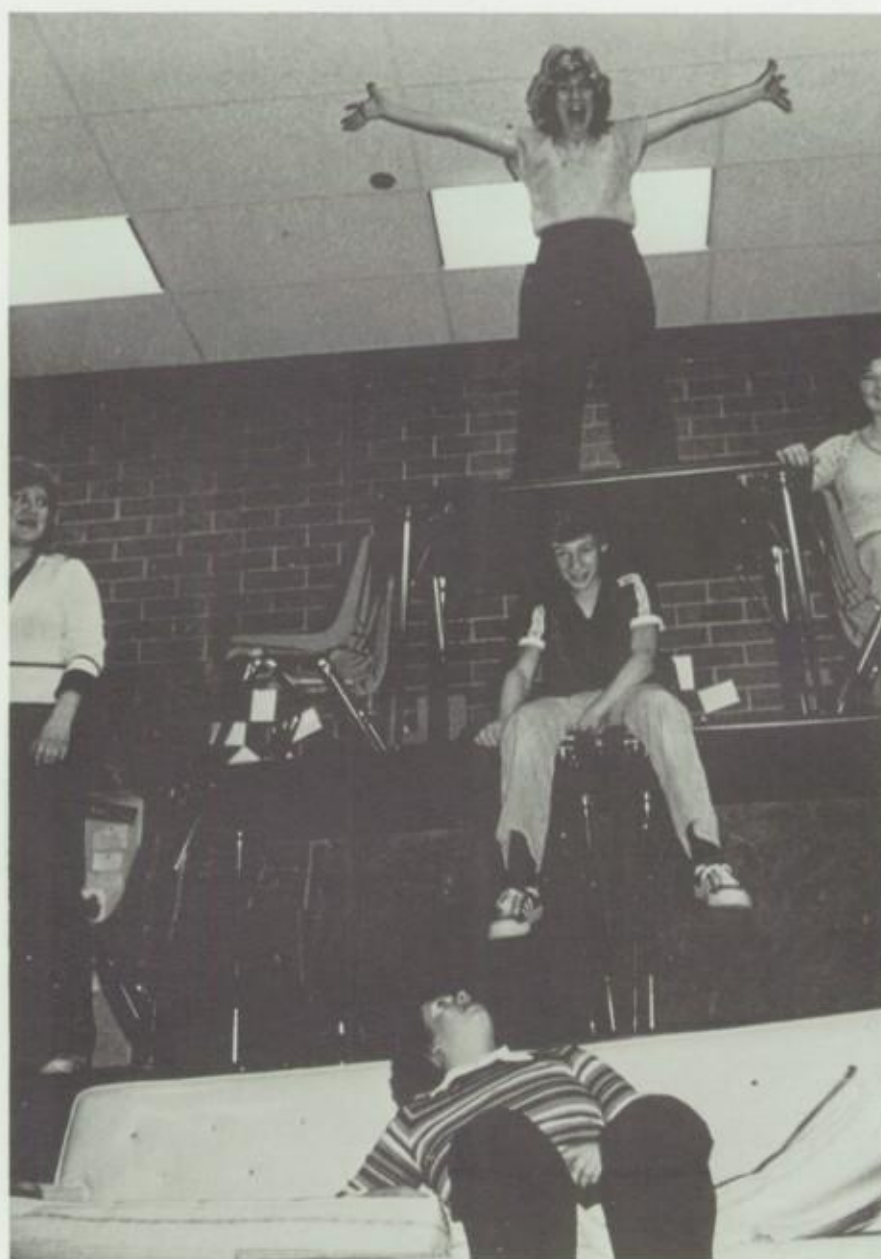

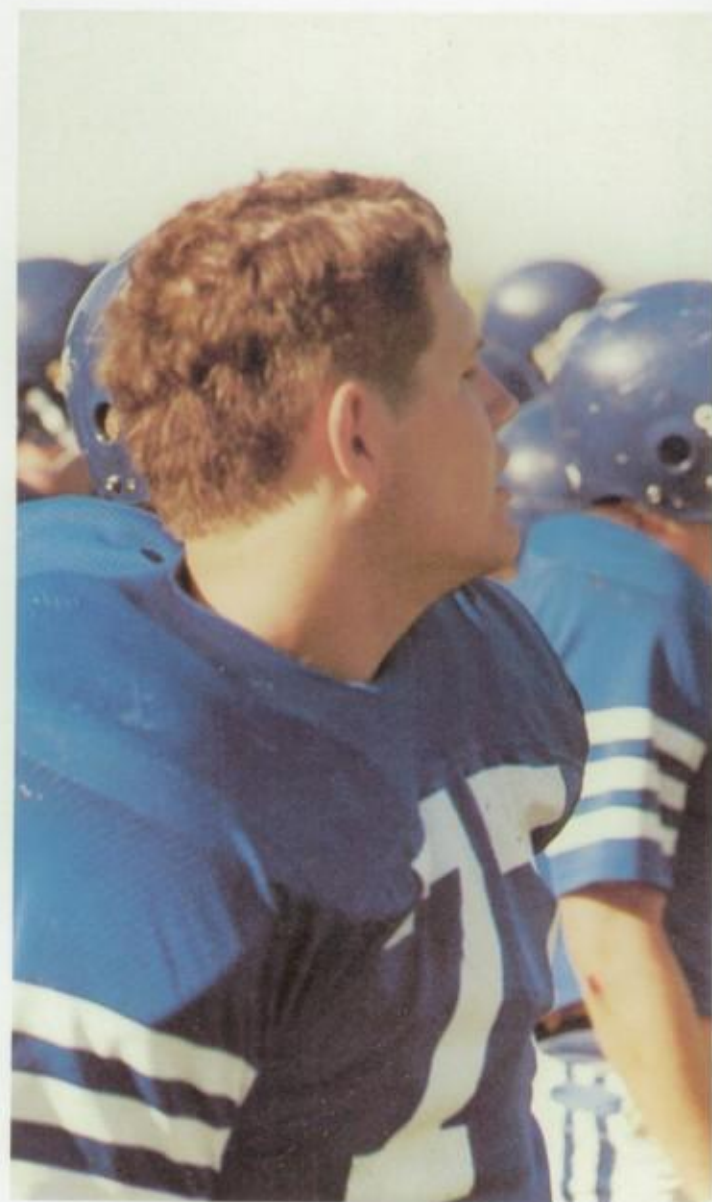

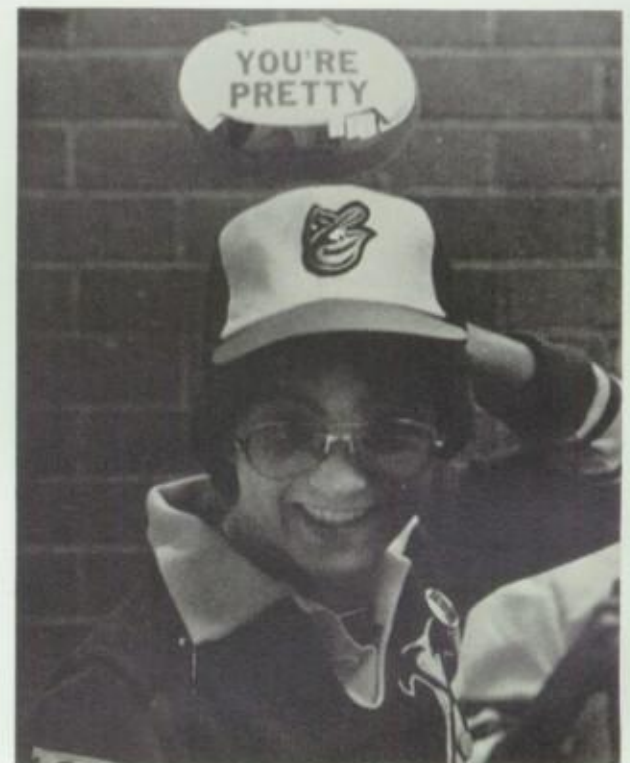

Today

Today will soon be yesterday and tomorrow today, but in it's past I'll walk again, say the things I said to you, but only in my memories. For everyday's a diary, a book to read again, a sight to be remembered and the kindness of a friend. A word to be changed, a thought to be thought, a mistake to be erased. These things will be found on the tracks of yesterday for tomorrow's are yet to be traced.

*By
Cindy Petersen*

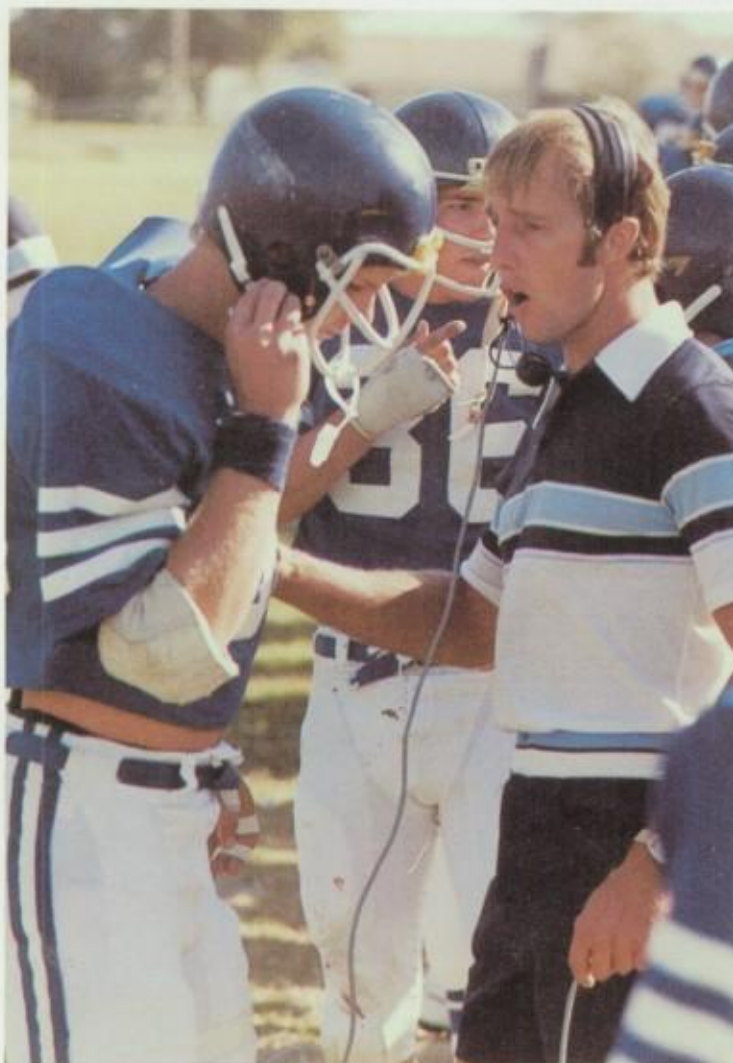

Many started out the new year excited, anxious, and ambitious. As the weeks rolled by, assignments came and were gone. Friendships grew, dreams, hopes, memories too. Good and bad times were shared. There were smiles for joy, and tears for sorrow, and encouragement for every dream. A Semester complete progressing, growing, but mostly bringing a new awareness of the continuity of life. Through our many experiences we finally realized who we were, and what we were doing. Then we became aware of our destiny. Out of many, we became one!

*Roxie Vicenti
Gary Ziegler*

For all those who didn't know Mrs. Carol John, she was one of the most special people around. She is the kind of person who is always smiling and forever willing to share. She is very ambitious and is always going the extra mile for her kids. She makes learning a fun and interesting experience.

Although many think she has a handicap, she has taken her blindness as a challenge and a blessing. She will always have one thing we don't have, the special insight to people and the real world.

For those of us who know her we will always treasure her special spirit.

WHAT'S RIGHT WITH BINGHAM

Oh Sure- we're overcrowded, have some problems with litter and some of us really haven't found ourselves yet but, there's plenty RIGHT WITH BINGHAM. How about a teacher - blind, but when forced to retire for health reasons found it difficult to leave. She could not leave her "kids". Many times only the bad, the wrong, is published. It's time the world knows there are students at Bingham who impress the community with their friendliness and their desire to learn - Students who secretly praise their principal and Vice Principals and pledge their support*. How many people are aware that 2000 Bingham students attended the Hillcrest game - and conducted themselves in such a way that praise for them was received from Hillcrest's administration. Bingham has an outstanding debate program, Science program, and teachers who care. Vice principals, counselors, and others with heavy loads that take the time to lead, counsel, and above all, listen. Student government will train new students in leadership skills - and Bingham families will support their Miners in these and many other activities. In short, Bingham Miners care! That's What's right with Bingham!

John
I hope you can have a fun
summer you are special

Cynthia Ballard

 Smile
God
love you

Dear John,

By the way this isn't one of those
the kind of letters. It's been a gas
this year in English. You always
fun to be around. Sorry about
toilet papering your house this year
but it's not over yet. You a special
friend and I wouldn't trade you
for anything. See ya around.

Love
Tammi

John,
You are really special.
What a personality! You
are a person that I could
never forget. Keep it up
you wouldn't be you if you were
any other way.

Love,
Tammi

P.S. I like your picture
(pg 165) Did you make
the shot?
yes

John!
You crazy guy!
It was great having
B.S. together! You're a
great guy!

Thanks for all the

help and support you

have given me. I'll share

everything I can

as anything you please. It

never do for you please. It

me! I know you will

become someone great

because you just have

it in you! You're just so

great! Love ya!

PS. This summer
keep in contact to
OK! I want to
know who you
most girlfriend
is going to be!

Dear John,

(does that sound funny?)

Well babe! It's been a great year! You're someone really special and you have a great testimony of the gospel! Go forth in life and share it with those you come in contact with!

Well, As a senior next year, you'll have lots of challenges but just be strong!

Stay happy and be sure to come see me!

Love Ya Lots -

Brenda

"Zig" Joe

John!
You are a neat kid!
Have a nice summer "K"!!
I hope to see you a lot
next year! Take it easy
and keep in touch!
Love always
Tracy Robinson

John!
It was great getting
to know you. Keep smiling
and take care. See ya
next year! Have a
good one.
Love ya
Licki Winger

John
 You are one of
 the most delightful
 non-students I have
 been associated with this
 year. Keep smiling. It has been a
 real pleasure knowing you.
 Vernon Dunn

John
 You a real cutie. It
 was so fun having
 you in seminary.
 Hope to see you
 next year.

Love ya

Glenda Williams

John B. Jannsen
 (sorry if it's wrong)

It's been a few years hasn't
 it? I've enjoyed them all!
 You can make a guy mad you
 know (like stealing test papers & the
 wrong class gets tens) You can
 pull some real winners! I
 think it's funny though.
 We'll go bumming this summer
 so get ready!

See ya

Gary Kilpatrick

Dear John,
 It's been really great
 knowing you this year. Hope
 to see you during the
 summer. We'll have to go
 toilet papering. My number
 is in the B-Book & if I'm
 not home, I'll be at Liberty
 Park so come up there.

Love,
 Laura Ains

John
 It's been real fun
 playing b-ball with
 ya have a lot of
 fun and let's go
 fishing see ya round
 and have fun
